UNIFORMS

All players must wear matching singlets and the same colour shorts by round 3 of each season.

A player may wear incorrect shorts or singlets but the team will be penalised by 3 points being awarded to the opposition for each player with the incorrect uniform. Team shorts must all be the same colour.

Players can use any number from 0, 00 and 1–99 as per FIBA regulations. We strongly recommend teams having reversible numbered singlets to assist in colour clash situations. Numbers must be legible on both the front and back of the uniform.

Singlets can be hired from the Stadium Manager:

1-2 singlets = \$5.00 3 or more singlets = \$10.00

Teams may borrow singlets in a colour clash situation for free.

Clubs have priority in colour clash situations otherwise the first named team on the iPad for a uniform clash between two independent teams.

Pockets in shorts are not permitted. $\frac{3}{4}$ length leggings permitted as undergarments. No T-Shirts allowed under basketball singlet's.

Compression Gear & Undergarments:

FIBA allow players to wear compression gear.

Any compression item must be black, white or the same dominant colour of playing singlet. If there is a logo or branding on the item, it must not be visible outside of the uniform or to be the same colour as the item. Eg, black on black. The colour choice will be decided by the player's team to ensure that teams have uniformity if more than one player in a team is wearing compression gear. This means that if one player is wearing black compression gear, any other player in the team must also wear black in any compression gear worn.

Jewellery:

Rings are not accepted to be worn. Securely taped wedding bands are allowed. Piercings must be removed. No bracelets or necklaces allowed.

Hair Accessories:
