Southern Peninsula Basketball Association

JADE WILDE

Application for Board Representative

I would like to express my interest in applying for a position on the Southern Peninsula Basketball Association Board.

With my extensive background in the basketball game and industry, my initiative and innovation strategies will bring value to SPBA . I would love to work with the board continuing the growth and community programs on what they have achieved in the last few years.

I started basketball when I was 11 and still continue to play, including in this time I played representative Sharks from under 14's to 21's including winning Country Vic Championship and 16's div 1 Championship

In 2019 was part of the Shark mens Program as team manager who won The championship that year and the following years assistant coached.

Now I coach my daughters u10's side and assistant coach u12.1 - 14 girls rep sides.

I am a director for Jamic group Plumbing and have honed my abilities in administrative support and I am a astute problem-solver capable of prioritising and managing complex projects with proficiency. I exercise skills on observation, motivation and consistently contributed to my teams efforts and improvements. I am open minded and have proven to be effective and motivational to achieve a common goal. I look forward to combine my business and basketball skills in offering insights and ideas to help SPBA continue to grow, provide infrastructure and programs for all the community to enjoy.

JADE WILDE
